## Pre-built PermaPorch® Railing

Pre-built PermaPorch® Railings are available in a variety of styles to match your porch and deck design. The top and bottom rails are made of pre-finished weather resistant cellular PVC with a wood or aluminum insert.

The top rail, bottom rail and balusters are available in pre-finished white. They are made from weather resistant cellular PVC. The balusters are also available in round aluminum. Wood and aluminum inserts have a finish coat of paint on four sides.

**PERMA-SQUARE NEWEL FASTENING KIT**  
Fastening Kit included with every Aluminum Core Newel. Comes complete with screws and bolts for attaching to wood or concrete substrate.

**CHESTERFIELD FASTENING KIT**  
Each kit comes complete with skirt, brackets, and TapCon screws for wood or concrete substrates.

## Custom Rail Panels

Custom rail panels are now available! Use our custom rail patterns to create a beautiful, one-of-a-kind look that will set any home apart. HB&G's new rail panels are designed to work with the PermaPorch Railing top and bottom rails, they are made of cellular PVC and can be manufactured using your design or you can choose from one of the styles below. Contact a customer service representative now to order your custom rail panel.
